[Ex. 6 - Personal Privacy] — As promised, here is the latest version of the draft schedule (now version #11) which we hope reflects all of the changes that have occurred since the last version (#10) was circulated.

Please note that, for now, I am only sharing this with you (vs. the larger group) as Mark is traveling and has not yet had a chance to review it. But we hope that we will be able to share it more widely very soon, and certainly before our next planning call on Wednesday.

You'll see that we have left placeholders for locations, etc. and we would welcome your continued input to fill in those blanks as information is confirmed. Of course, if you notice anything else that needs updating, please don't hesitate to let us know.

Thanks and regards,  
Anna

Thanks, [Ex. 6 - Personal Privacy] We also noticed that [Ex. 6 - Personal Privacy] was working from an older version of the schedule and we (also) have been working on an updated version (#11) that we hope to share with you soon. So... we will check your updates to ensure everything you've captured is captured in ours. And on we'll go!

Best,  
Anna

Hi friends!

Our Charge highlighted an older schedule, and I just sent this version back with updates to her (biz roundtable later in the a.m. and on Thursday, no federalism interlocutor, etc.)

Commerce will sent "save the date" to the biz roundtable peeps. What is the Administrator's ideal number of businesses for this encounter?

Many thanks, **Ex. 6 - Personal Privacy**

Hi **Ex. 6 - Personal Privacy**

This schedule is still in flux. What I did was take [Ex. 6 - Personal Privacy] highlighted wishes from the May 6 schedule, and highlight the events with the new dates/times.

Thanks for providing the full schedule. I have highlighted additional meetings that look appropriate for me to join in the attached. Caron and Jean can provide more details, especially on those that are TBC. Thanks, [Ex. 6 - Personal Privacy]
